Answer

MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT & POVERTYALLEVIATION (SHRI PON RADHAKRISHNAN)

(a)to(c): Urban water supply is a State subject. It is, therefore, the responsibility of the respective State Governments/UrbanLocal Bodies to plan, formulate, execute, operate and maintain water supply facilities in their respective areas and to make adequate provision in their respective State Plans. However, in order to supplement the efforts of the State Government, the Government of India has launched the Centrally Sponsored Accelerated Urban Water Supply Programme (AUWSP) during 1993-94 under which funds are provided to the State Governments to implement water supply schemes for towns having population less than 20,000 as per 1991 Census on the ratio of 50:50 between the Centre and the State. The implementation status of AUWSP as on 31.3.2003 is given at Annexure.

ANNEXURE REFERRED TO IN REPLY TO LOK SABHA USQ NO.6263 FOR 6.5.2003.
